To Whom It May Concern:

Pursuant to La. Rev. Stat. 49:260, please accept this letter as a submission of the Louisiana State Board of Medical Examiner's proposed Bridge Year regulations for review by the Louisiana Department of Justice as part of the Occupational Licensing Review Program.

The Board's authority arises from La. R.S. 49:952 *et seq.* of the Louisiana Administrative Procedure Act and from R.S. 37:1270 of the Louisiana Medical Practice Act. The Board proposes to amend its rules governing the new Bridge Year Program. The rule the board proposes to add as LAC 46:XLV.398 sets standards for a bridge year graduate physician certificate, including requiring direct supervision by a board-certified physician who has completed training as a training physician. The proposed amendment to LAC 46:XLV.303 is to add the definitions of "bridge year graduate physician" and "training physician".

To aid your review, the following documents are attached:

- Notice of Intent and full text of the proposed rule published in the March 2025 *Louisiana Register*, 51 LR428;
- Approved fiscal and economic impact statement;
- Underline/strikethrough version of the proposed occupational regulation; and
- Completed Rule Submission Form.

Please note that we did not receive any public comments by email, fax, US Mail or other carrier, and no one requested a public hearing to give testimony or comment on the proposed amendments. Due to the lack of public comments, no changes were necessary to the proposed amendments.
