**FISCAL AND ECONOMIC IMPACT STATEMENT
FOR ADMINISTRATIVE RULES**

The following information is required in order to assist the Legislative Fiscal Office in its review of the fiscal and economic impact statement and to assist the appropriate legislative oversight subcommittee in its deliberation on the proposed rule.

- A. Provide a brief summary of the content of the rule (if proposed for adoption, or repeal) or a brief summary of the change in the rule (if proposed for amendment). Attach a copy of the notice of intent and a copy of the rule proposed for initial adoption or repeal (or, in the case of a rule change, copies of both the current and proposed rules with amended portions indicated).

The proposed rule changes define the Executive Director position and the term sufficient cause to align with regulations on causes for non-issuance, suspension, revocation, and the imposition of restrictions. Additionally, the amendments ensure that licensee-respondents receive notice when the board chooses to reference prior complaints in investigation and adjudication proceedings. The revisions also eliminate unnecessary language for clarity and consistency.

- B. Summarize the circumstances, which require this action. If the Action is required by federal regulation, attach a copy of the applicable regulation.

The circumstances requiring the proposed amendments are the Board's duty to provide rules governing the licensing of physicians to practice medicine in the state of Louisiana. LAC 46:XLV.301.

- C. Compliance with Act 11 of the 1986 First Extraordinary Session

- (1) Will the proposed rule change result in any increase in the expenditure of funds? If so, specify amount and source of funding.

The proposed rule changes will not require any additional funding or expenditure of funds. Rulemaking costs are included in the Board's operating budget.

- (2) If the answer to (1) above is yes, has the Legislature specifically appropriated the funds necessary for the associated expenditure increase?

(a) _____ YES. If yes, attach documentation.

(b) X _____ NO. If no, provide justification as to why this rule change should be published at this time
