FISCAL AND ECONOMIC IMPACT STATEMENT
FOR ADMINISTRATIVE RULES

The following information is required in order to assist the Legislative Fiscal Office in its review of the fiscal and economic impact statement and to assist the appropriate legislative oversight subcommittee in its deliberation on the proposed rule.

- A. Provide a brief summary of the content of the rule (if proposed for adoption, or repeal) or a brief summary of the change in the rule (if proposed for amendment). Attach a copy of the notice of intent and a copy of the rule proposed for initial adoption or repeal (or, in the case of a rule change, copies of both the current and proposed rules with amended portions indicated).

The proposed rule change allows for the promulgation of rules related to temporary or limited-purpose permits, specifying the purposes and restrictions concerning the types of radiologic activities that may be performed and the services that may be provided to patients.

- B. Summarize the circumstances, which require this action. If the Action is required by federal regulation, attach a copy of the applicable regulation.

The intent of this rule is for the promulgation of rules related to permits with specific purposes and restrictions as to the type of radiologic activities that may be engaged and the types of services that may be provided to patients. This will allow the proper implementation of training and education of individuals performing x-rays in private physician offices, private clinics and urgent care centers.

The proposed rule change is not required by federal regulation.

- C. Compliance with Act 11 of the 1986 First Extraordinary Session

- (1) Will the proposed rule change result in any increase in the expenditure of funds? If so, specify amount and source of funding.

The proposed rule change will not require any additional funding or expenditure of funds.

- (2) If the answer to (1) above is yes, has the Legislature specifically appropriated the funds necessary for the associated expenditure increase?

(a) _____ YES. If yes, attach documentation.

(b) XX _____ NO. If no, provide justification as to why this rule change should be published at this time

The Louisiana Radiologic Technology Board of Examiners operates on self-generating revenue and does not receive state funds.
