**PRODUCT/FIRM:** Babysense Max View Baby Monitors Recalled Due to Fire Hazard; Manufactured by Hisense Ltd. of Israel

**DESCRIPTION:** This recall involves the Babysense Max View Baby Monitor with model number VBM55. The reported issue involves the display unit (also referred to as the parent unit) that allows the parents to see and hear the baby (not the camera component that is placed in the child’s bedroom). The display unit has “5.5” HD 1080P” printed on the upper left side of the monitor screen and the “babysense” logo on the lower portion of the monitor screen. The model number, “VBM55RX,” is printed on the product identification label on the back of the display unit.

**Note:** Do not throw this recalled device in the trash, in the general recycling stream (e.g., street-level or curbside recycling bins), or in used battery recycling boxes found

at various retail and home improvement stores. Recalled lithium-ion batteries must be disposed of differently than other batteries, because they present a greater risk of fire. Your municipal household hazardous waste (HHW) collection center may accept this recalled lithium-ion battery or device for disposal. Before taking your battery or device to a HHW collection center, contact that office ahead of time and ask whether it accepts recalled lithium-ion batteries. If it does not, contact your municipality for further guidance.

**REMEDY:** Consumers should stop using the display unit of the Max View baby monitors immediately and contact Hisense for a free replacement display unit that does not pose a fire hazard.

**CONSUMER CONTACT:** Hisense toll-free at [\(833\) 689-2652](tel:8336892652) from 9 a.m. to 5 p.m. ET Monday through Friday, by email at [support@recallsecure.com](mailto:support@recallsecure.com) or online at [www.recallsecure.com](http://www.recallsecure.com) or [www.babysensemonitors.com](http://www.babysensemonitors.com) and click on "Product Recalls" at the top of the page for more information.

**PRODUCT/FIRM:** TheKiddoSpace Recalls Peg Doll Children's Toys Due to Risk of Serious Injury or Death from Choking Hazard; Violate Small Parts Ban

**DESCRIPTION:** This recall involves TheKiddoSpace-branded peg dolls in cups toys. The children's toys consist of seven rainbow-colored wooden peg figures with a matching cup and a circular natural wood tray. TheKiddoSpace logo and "Peg Dolls in Cups" are printed on the toy's blue box.

**REMEDY:** Consumers should stop using the recalled toys immediately, take them away from children and contact TheKiddoSpace for a full refund. Consumers will be asked to write "RECALLED" in permanent marker on the pieces and send a photo of the marked toys to [info@thekiddospace.com](mailto:info@thekiddospace.com). Consumers should then dispose of the toys.

**CONSUMER CONTACT:** TheKiddoSpace by email at [info@thekiddospace.com](mailto:info@thekiddospace.com), or online at [www.thekiddospacestore.com/pages/product-recalls/peg-dolls](http://www.thekiddospacestore.com/pages/product-recalls/peg-dolls) or [www.thekiddospacestore.com](http://www.thekiddospacestore.com) and click "Product Safety Recalls" at the bottom of the page for more information.

**PRODUCT/FIRM:** Evajoy Above-Ground Pools 48 Inches and Taller Recalled Due to Drowning Hazard; Manufactured by Shenzhen Danya Tech

**DESCRIPTION:** This recall involves all Evajoy above-ground pools 48 inches and taller. Models EJ-HF032, EJ-HF044, and EJ-HF045 are included in this recall. Model EJ-HF032 measures 16 feet in diameter by 48 inches in height. Model EJ-HF044 measures 18 feet in diameter by 52 inches in height. Model EJ-HF045 measures 24 feet in diameter by 52 inches in height. Model information and

the Evajoy logo are printed on the liner on the outside of the pool.

The recalled above-ground pools contain a compression strap (also referred to as a reinforcing belt) that wraps around the pool on the outside of the vertical support poles, and may create a foothold, allowing a child to access the pool and drown.

Children can still gain access to the pools using these footholds even if the ladder is removed.

CPSC's website [www.PoolSafety.gov](http://www.PoolSafety.gov) has free, downloadable educational materials available to the public on pool safety including information on barriers, covers, alarms and other safety information.

**REMEDY:** Consumers should contact Evajoy to request a free repair kit that removes the compression strap from the pool, while maintaining the structural integrity of the pool. In the interim, consumers should ensure that children cannot access the pool unattended or, alternatively, drain the pool until the repair can be installed.

**CONSUMER CONTACT:** Evajoy toll-free at [888-846-2988](tel:8888462988) from 9 a.m. to 5 p.m. PT Monday through Friday, email at [support@evajoy.co](mailto:support@evajoy.co) or online at <https://evajoy.co/pages/poolrecall> or go to [www.evajoy.co](http://www.evajoy.co) and click on "Product Recalls" at the top of the page for more information.

**PRODUCT/FIRM:** Todson Recalls Concord Bicycle Helmets Due to Risk of Serious Injury or Death from Head Injury; Violates Mandatory Standard for Bicycle Helmets

**DESCRIPTION:** This recall involves Concord-branded 360 Degree Rechargeable Light-Up bike helmets. The helmets were sold in size large (L), fitting a head circumference of about 22.8 to 24 inches. The helmets have a black exterior with a built-in LED lighting system, black straps, black buckle, and have a black plastic knob at the back of the helmet for adjusting the fit. "Concord" is printed on the back of the helmet.

**REMEDY:** Consumers should immediately stop using the recalled Concord Helmets and contact Todson for a full refund. Consumers should destroy the recalled helmets by cutting the straps off the helmets. Consumers can send

photos of the helmet with the straps cut off to [360concordhelmet@todson.com](mailto:360concordhelmet@todson.com) to obtain a refund.

**Note:** Do not throw this recalled helmet with a lithium-ion battery in the trash, the general recycling stream (e.g., street-level or curbside recycling bins), or used battery recycling boxes found at various retail and home improvement stores. Lithium-ion batteries must be disposed of differently than other batteries, because they present a greater risk of fire. Your municipal household hazardous waste (HHW) collection center may accept this recalled lithium-ion battery or device for disposal. Before taking your battery or device to a HHW collection center, contact that office ahead of time and ask whether it accepts lithium-ion batteries. If it does not, contact your municipality for further guidance. You can also visit [Todson.com/360-concord-recall](http://Todson.com/360-concord-recall) for more information on potential disposal locations.

**CONSUMER CONTACT:** Todson toll free at [800-278-2565](tel:800-278-2565) from 9 a.m. to 5p.m. ET Monday through Friday, email at [360concordhelmet@todson.com](mailto:360concordhelmet@todson.com), or online at [todson.com/360-concord-recall](http://todson.com/360-concord-recall) or [www.Todson.com](http://www.Todson.com) and click "Recall" at the top of the page for more information.

 Serious Injury from Entrapment Hazard;  
 Violates Mandatory Standard for Gates and  
 Enclosures

**DESCRIPTION:** This recall involves Vevor-branded  
 safety gates. The recalled safety gates were sold in gray,  
 black and white and have a metal frame about 34.2  
 inches high and a retractable screen that extends up  
 to 60 inches wide (model YJ-3355), 76.8 inches wide  
 (model YJ-3371) or 116 inches wide (model YJ-33110).

“Vevor” is printed on a label on the corner post of the gate. The model number is printed on the product packaging and in the user manual.

**REMEDY:** Consumers should stop using the recalled gates immediately and contact Sanven Technology for a full refund. Consumers should destroy the gate by cutting through the mesh and send a photo of the destroyed gate to [recalling@vevor.com](mailto:recalling@vevor.com).

**CONSUMER CONTACT:** Sanven Technology toll-free at [855-599-6320](tel:855-599-6320) from 9 a.m. to 5 p.m. PT Monday through Friday, email at [recalling@vevor.com](mailto:recalling@vevor.com), or online at <https://www.vevor.com/pages/Vevor-Retractable-Baby-Gates-Recall> or at [www.vevor.com](http://www.vevor.com) and click “Product Recall” at the top of the page for more information.

**PRODUCT/FIRM:** 4our Kiddies Tip Restraint Kits Recalled Due to Tip-Over Hazard; Risk of Serious Injury and Death

**DESCRIPTION:** This recall involves defective plastic tip restraint kits (also referred to as furniture straps) manufactured by 4our Kiddies. The recalled tip restraint kits contain two white plastic brackets/mounts (one for connection to furniture and the other for connection to the wall), a white plastic cable zip tie, two different pairs of screws (one longer than the other) and two drywall anchors.

The plastic in the brackets/mounts and the cable zip tie can break or degrade over time, which could lead to furniture tipping over if a consumer interacts with furniture that was secured by the recalled product. CPSC testing revealed that the recalled plastic tip restraints failed to meet the requirements of the industry standard for tip restraints.

CPSC’s Anchor It! website, [www.anchorit.gov/](http://www.anchorit.gov/), has educational materials available to the public, including important instructions for properly anchoring furniture to prevent tip-overs.

**REMEDY:** Consumers should stop using 4our Kiddies plastic tip restraints immediately and contact 4our Kiddies for a free replacement tip restraint kit made of stainless steel. Consumers should keep children away from the unit while waiting for a replacement tip restraint kit and should dispose of the recalled tip restraint in their household trash once they have installed the replacement tip restraint.

**CONSUMER CONTACT:** 4our Kiddies by email at [furniturestraps-recall@outlook.com](mailto:furniturestraps-recall@outlook.com).

**PRODUCT/FIRM:** Sunnyyes LED Mini Lights Recalled Due to Risk of Serious Injury or Death from Battery Ingestion; Violates Mandatory Standard for Consumer Products with Coin Batteries

**DESCRIPTION:** This recall involves Sunnyyes branded LED mini lights. The recalled color changing lights have 13 colors. Each of the 10 multicolored lights includes two CR2032 lithium coin batteries. The lights include two remote controls that contain one CR2025 coin lithium battery each. The LED lights measure 1.18 inches in diameter.

**REMEDY:** Consumers should stop using the recalled LED lights immediately and place them in an area where children cannot access them. Consumers will be asked to disassemble and submerge all components in water. To receive a full refund, consumers will be asked to email a photo of the submerged product to [usa@sunnyyes.com](mailto:usa@sunnyyes.com).

**Note:** Button cell and coin batteries are hazardous. Batteries should be disposed of or recycled by following local hazardous waste procedures.

**CONSUMER CONTACT:** Sunnyyes by email at [usa@sunnyyes.com](mailto:usa@sunnyyes.com).

**PRODUCT/FIRM:** GLMZZ Fidget Magnet Ball Toys Recalled Due to Risk of Serious Injury or Death from Magnet Ingestion; Violates Mandatory Standard for Toys

**DESCRIPTION:** This recall involves GLMZZ Fidget Magnet Ball Toy Sets. Each set contains eight round magnet balls (white, blue, green, pink, yellow, cream and two purple balls). Each ball is about 1.24 inches in diameter. The magnet toys come in a black zippered case.

**REMEDY:** Consumers should stop using the recalled magnet ball toys immediately, take them away from children, and contact GLMZZ to receive a full refund. Consumers will be asked to throw the magnet ball toys away and email photo of the disposal to [GLMZZrecall@outlook.com](mailto:GLMZZrecall@outlook.com).

**CONSUMER CONTACT:** GLMZZ via email at [GLMZZrecall@outlook.com](mailto:GLMZZrecall@outlook.com).

**PRODUCT/FIRM:** FUNTOK Ride-On Trucks Recalled Due to Fire and Burn Hazards; Risk of Serious Injury or Death; Imported by Shenzhen Luobei Trading

**DESCRIPTION:** This recall involves FUNTOK 24V 2-Seater Ride-On Trucks, model number DLS-K03. The trucks were sold in red, black, white and pink. “4x4” is

written in black on the tailgate and “TURBO DIESEL” is written in black on the side of the truck. The brand name “FUNTOK” and model number “DLS-K03” are printed on the User Manual cover and the exterior retail packaging.

**REMEDY:** Consumers should stop using the recalled ride-on truck immediately, unplug the truck if it is charging, and contact Shenzhen Luobei Trading Co. for instructions to receive a full refund. To obtain a refund, consumers will need to disable the ride-on truck by cutting the wires to the battery and submitting a photo of the cut wires with “VOID,” the consumer’s name and the date written on the hood of the truck in permanent marker. Consumers should dispose of the disabled ride-on truck once they receive their refund. Directions on how to disassemble and disable the ride-on truck can be found on <https://funtok.net/pages/voluntary-product-safety-recall>.

**Note:** Do not throw the truck battery in the trash, or in the general recycling stream (e.g., street-level or curbside recycling bins). Lead-acid batteries must be disposed of differently than other batteries. Your municipal household hazardous waste (HHW) collection center or battery recycling boxes found at various retail and home improvement stores may accept this lead-acid battery for disposal. Before taking your battery to a HHW collection center, contact that office ahead of time and ask whether it accepts lead-acid batteries. If it does not, contact your municipality for further guidance.

**CONSUMER CONTACT:** Shenzhen Luobei Trading Co. toll-free at [800-249-9581](tel:800-249-9581) from 9 a.m. to 5 p.m. ET Monday through Friday, email at [service@funtok.net](mailto:service@funtok.net) or online at <https://funtok.net/pages/voluntary-product-safety-recall> or <https://funtok.net/> and click on “Product Safety Recall” at the bottom of the page for more information.
