### **§1461. Bribery of voters; penalties**

A. (1) Bribery of voters is the giving or offering to give, directly or indirectly, any money, or anything of apparent present or prospective value to any voter at any general, primary, or special election, or at any convention of a recognized political party, with the intent to influence the voter in the casting of his ballot. The acceptance of, or the offer to accept, directly or indirectly, any money, or anything of apparent present or prospective value, by any such voters under such circumstances shall also constitute bribery of voters.

(2) Bribery of voters is also the giving or offering to give, directly or indirectly, any money or anything of apparent present or prospective value to secure or influence registration of a person or to secure or influence a person to sign or not sign a recall or other election petition.

On a second offense, or any subsequent offense, the penalty shall be a fine of not more than ten thousand dollars or imprisonment at hard labor for not more than five years, or both.

C. In the trial of persons charged with bribery of voters either the bribe-giver or the bribe-taker may give evidence, or make affidavit against the other, and may receive immunity from prosecution in favor of the first informer, except for perjury in giving such testimony.

D. In addition to any other penalty imposed pursuant to this Section, the court may order restitution as a part of the sentence. Restitution may include payment for any costs incurred, including reasonable attorney fees, by a candidate who brought an action contesting an election wherein the court found that one or more of the votes cast in the contested election were illegal based on the actions of the defendant and the court changed the result of the election or ordered a new election to be held.

**§ 1462. Acts prohibited during early voting or on election day; electioneering; intimidation; exceptions; enforcement; penalties**

A. The Legislature of Louisiana recognizes that the right to vote is a right that is essential to the effective operation of a democratic government. In order to preserve the integrity of its election process, and to protect the right of citizens to vote freely for the candidates of their choice, the state has a compelling interest in establishing a zone securing polling locations against certain conduct and activities, including voter intimidation, election fraud, confusion, and general disorder, that would interfere with the exercise of the right to vote. The legislature, therefore, enacts this Subsection to provide for a six hundred foot campaign-free zone around polling places to provide to each voter such an environment in which to exercise his right to vote. Except as otherwise specifically provided by law, it shall be unlawful for any person, between the hours of 6:00 a.m. and 9:00 p.m., to perform or cause to be performed any of the following acts within any polling place being used in an election on election day or during early voting, or within a radius of six hundred feet of the entrance to any polling place being used in an election on election day or during early voting:

(1) To solicit in any manner or by any means whatsoever any other person to vote for or against any candidate or proposition being voted on in such election.

(2) To remain within any such polling place or within a radius of six hundred feet of the entrance of any such polling place, except when exercising the right to vote, after having been directed by an election commissioner, law enforcement officer, registrar, or deputy registrar to leave the premises or area of a polling place.

(3) To hand out, place, or display campaign cards, pictures, or other campaign literature of any kind or description whatsoever which advocate for or against any candidate, proposition, or political party appearing on the ballot in the election.

(4) To place or display political signs, pictures, or other forms of political advertising which advocate for or against any candidate, proposition, or political party appearing on the ballot in the election.

(5) To circulate a petition or seek handwritten signatures to a petition.

B. The provisions hereof shall not apply to the placing and displaying, either by the owner, lessee, or lawful occupant thereof, or with the consent of such owner, lessee or occupant, of political signs or pictures on private property which is not being used as a polling place.

C. The provisions of this Section shall not be construed as prohibiting any appointed election commissioner or any official watcher from remaining in and about the polling place in which he was selected to serve.

D. No election official shall wear any badge, button, pin, or other insignia identifying him with any political candidate or faction.

E. No election official shall in any manner attempt to influence any voter to vote for or against any candidate or proposition being voted on in the election being held in that polling place.

F. The duly constituted law enforcement officers of the political subdivision in which any such election is being held shall enforce the provisions of this Section when requested to do so by a registrar, deputy registrar, commissioner-in-charge or commissioner. The registrar, deputy registrars, commissioners-in-charge and commissioners likewise shall enforce the provisions of this Section at the polling places. The law enforcement officers, commissioners-in-charge, commissioners, deputy registrars and registrar are authorized to seize, remove, and destroy any political cards, signs, pictures, or literature being used or displayed in violation of any of the provisions hereof.

G. Whoever violates any provision of this Section shall be fined not more than five hundred dollars or be imprisoned for not more than six months, or both. On a second offense or any succeeding offense, the penalty shall be a fine of not more than one thousand dollars or imprisonment for not more than one year, or both.

**§1462.1. Registration of persons conducting exit polling during early voting or on election day; penalties**

A. The Legislature of Louisiana recognizes that the right to vote is a right that is essential to the effective operation of a democratic government and that voters should be free from intimidation, harassment, confusion, obstruction, and undue influence in the campaign-free zone provided in R.S. 18:1462(A) by individuals conducting exit polling who have not registered with the secretary of state.

B. No person shall conduct an exit poll between the hours of 6:00 a.m. and 9:00 p.m. within any polling place being used in an election on election day or during early voting, or within a radius of six hundred feet of the entrance to any polling place being used in an election on election day or during early voting, unless the person conducting the polling has filed a registration statement with the secretary of state prior to the start of early voting or election day, as applicable. The registration statement may be filed in person, by facsimile, or by electronic mail.

C. Whoever violates this Section shall be fined one hundred dollars or be imprisoned for ten days, or both, for the first offense. For a second offense, the penalty shall be a fine of two hundred dollars or imprisonment for ten days, or both. For a third or subsequent offense, the penalty shall be a fine of five hundred dollars or imprisonment for ten days, or both.

## **§ 1463. Political material; ethics; prohibitions**

A. The Legislature of Louisiana finds that the state has a compelling interest in taking every necessary step to assure that all elections are held in a fair and ethical manner and finds that an election cannot be held in a fair and ethical manner when any candidate or other person is allowed to print or distribute any material which falsely alleges that a candidate is supported by or affiliated with another candidate, group of candidates, or other person, or a political faction, or to publish statements that make scurrilous, false, or irresponsible adverse comments about a candidate or a proposition. The legislature further finds that the state has a compelling interest to protect the electoral process, and that the people have an interest in knowing the identity of each candidate whose number appears on a sample ballot in order to be fully informed and to exercise their right to vote for a candidate of their choice. The legislature further finds that it is essential to the protection of the electoral process that the people be able to know who is responsible for publications in order to more properly evaluate the statements contained in them and to informatively exercise their right to vote. The legislature further finds that it is essential to the protection of the electoral process to prohibit misrepresentation that a person, committee, or organization speaks, writes, or acts on behalf of a candidate, political committee, or political party, or an agent or employee thereof.

B.(1) No person shall cause to be printed or assist in the distribution, transportation, or transmission by any means of any facsimile of an official ballot or cause to be printed, distributed, transported, or transmitted any unofficial sample ballot with the number of a candidate unless the name of the candidate to whom the ballot number was assigned is correctly listed on the ballot.

the association, organization, committee, or corporation, and the full and correct name and address of its chairman or other chief administrative officer and whether or not such individual, association, organization, committee, or corporation supports or opposes such candidate or proposition, such individual, association, organization, committee, or corporation shall report all expenditures incurred in relation to the publication, distribution, transportation, or transmission in accordance with R.S. 18:1491.7, 1495.5, or 1501.1.

(4)(a) No person shall misrepresent himself or any committee or organization under his control as speaking, writing, or otherwise acting for or on behalf of any candidate, political committee, or political party, or any employee or agent thereof.

(b) No person shall willfully and knowingly participate in or conspire to participate in a plan, scheme, or design to misrepresent himself or any committee or organization under his control or under the control of any other participant in the plan, scheme, or design as speaking, writing, or otherwise acting for or on behalf of any candidate, political committee, or political party, or any employee or agent thereof.

(2) The name of the third-party entity in visual and oral political announcements or advertisements shall be included so that it is clearly understandable as well as audible and visible for not less than three seconds. (3) In digital announcements or advertisements, the name of the third-party entity shall appear in a text sized at least as large as the smallest text in the digital material or in a heading or similar section of text displayed above or within the digital material that is visually distinct from the remainder of the digital material's text and shall have a reasonable degree of color contrast between the background and the name of the thirdparty entity.

(4) For the purposes of this Subsection, "person" means any individual, partnership, association, labor union, political committee, corporation, or other legal entity, including its subsidiaries.

The Legislature of Louisiana finds that the state has a compelling interest in protecting the integrity of the electoral process and in assuring that the voters are able to know who is responsible for telephone campaign communications in order to more properly evaluate the statements contained in them and to cast a more informed vote. The legislature further finds that it is essential to the protection of the electoral process to prohibit misrepresentation that a person, committee, or organization speaks on behalf of a candidate, political committee, or an agent thereof.

B.(1) No person shall make or cause to be made any telephone call or automated call expressly advocating support or opposition of a candidate, or elected public official, or ballot proposition unless the call identifies the source of the call as provided in this Section.

The filing may be accomplished by facsimile transmission as long as within two days, exclusive of legal holidays, the original approvals received are forwarded by United States mail to the secretary of state.

- **La. Atty. Gen. Op. No. 83-550** - A candidate should not use a patrol car while actively campaigning for the office of sheriff.
- **La. Atty. Gen. Op. No. 83-559** - A chief of police need not take a leave of absence in order to campaign for the office of sheriff, if such political activity is confined to the off duty hours of the chief of police and further, if such activity does not interfere with the official responsibilities of said officer.
- **La. Atty. Gen. Op. No. 90-126(A)** - Without specific, express authorization from the legislature by statute (i.e. drug education, economic development, etc.), the use of public funds to finance public relations techniques to manipulate public opinion on public issues to create a body of public opinion favorable to a public official or entity, is ultra vires. The use of public funds to provide a public information function to a state office is integral to its constitutional and/or statutory power and function and is lawful if its intent is to be factually informative to the public.
- **La. Atty. Gen. Op. No. 91-216** - Use of a public building for a campaign function for no fee would amount to the use of public funds and, therefore, would be in violation of La. R.S. 18:1465.

No. 90-126(A)** - Without specific, express authorization from the legislature by statute (i.e. drug education, economic development, etc.), the use of public funds to finance public relations techniques to manipulate public opinion on public issues to create a body of public opinion favorable to a public official or entity, is ultra vires. - **La. Atty. Gen. Op. No. 91-216** - Use of a public building for a campaign function for no fee would amount to the use of public funds and, therefore, would be in violation of La. R.S. 18:1465.
- **La. Atty. Gen. Op. No. 93-78** - A governmental entity may utilize public funds for the development and distribution of an informational poll so long as the information contained therein is purely factual information.
- **La. Atty. Gen. Op. No. 96-62** - A public entity, such as a school board, may not use public funds by way of using a public school bus to transport voters to the election polls. The law clearly prohibits the use of public funds for anything other than the dissemination of factual information relative to a proposition appearing on an election ballot.
- **La. Atty. Gen. Op. No. 04-0370** - La. Const. art. XI, § 4 and La. R.S. 18:1465(A) prohibit the use of public funds to urge the electorate to vote for any candidate or proposition, as well as the appropriation of public funds to any candidate or political organization.

- **La. Atty. Gen. Op. No. 11-0195** - The use of a Library's meeting room for no fee to urge any elector to vote for or against any candidate would be in violation of La. Const. art. XI, § 4 and La. R.S. 18:1465(A). But one is permitted to use the meeting room for such a purpose if the use is being paid for by private funds.
- **La. Atty. Gen. Op. No. 14-0110** - Campaign activities conducted while on-duty are a violation of La. Const. art. XI, § 4, which states that "no public funds shall be used to urge any elector to vote for or against any candidate or proposition, or be appropriated to a candidate or political organization...." The language of this constitutional provision also appears in La. R.S. 18:1465.
- **La. Atty. Gen. Op. No. 14-0203** - As we have noted in numerous prior opinions, political activity is allowed in public buildings when a sufficient fee for the building's use is charged and paid for with private funds. On the contrary, if no fee is charged for use of a public building, then public funds would be used, which would be considered a violation of La. R.S. 18:1465(A).
- **La. Atty. Gen. Op. No. 15-0161** - The Jefferson Convention and Visitors Bureau, a non-profit that receives public funds from Jefferson Parish to promote tourism, is not prohibited from engaging in political activity. However, public funds may not be used for political activity, and public funds from the hotel occupancy tax proceeds are subject to the limitations of La. R.S. 47:338.203(D).

- **La. Atty. Gen. Op. No. 01-390** - We do not find any statutory violations by making campaign items available such as shirts and caps with statements seeking votes for your election inasmuch as the Louisiana Supreme Court has determined such items "confer no pecuniary benefit" and are offered with the intent to publicize a candidate and "not to buy a vote."
